Samples from the **LEGO Island** Narrative Design Doc

In the Information center, the avatar selection features a short film intro about the five selectable characters. The Infomaniac explains the functionality (See ACT I/Intro)

MAMA BRICKOLINI

Scene-See Story Board MAMA	Narration	SFX
Newsreel stock footage: 1930's BW ship arriving at harbor-super imposed Mama exiting	V.O. 'When mama Brickolini arrived on LEGO island she had only her clothes on her back."	1930's newsreel music: eastern European feel
A piano (LEGO) being unloaded from the ship with a crane. It lands with a thud and mama hops at impact	V.O. 'The clothes… and her piano"	Thud with a hint of a piano key sound
Bustling city footage with Mama walking..fade to LEGO town	V.O. "Upon arriving she was asked what was it that brought her here. She replied." MAMA: "The boat, silly." V.O. "But when the question was explained to her again, she replied" MAMA: "I came here looking for hot Pizza and cool music	theme track slow-up
Exterior Pizza place	V.O. After marrying papa Brickolini, whom she met on a ship, and opening up LEGO island Pizza, she has plenty of both. You'll find her there everyday serving up friendly advice, great food and of course…"	
Mama rocks out on the piano	MAMA:"Hot pizza and cool music"	LEGO Rock tune

NICK BRICK

Scene/See storyboard NICK	Narration	SFX
Technicolor fly over of LEGO island- Dragnet/LA opening feel	NICK 'There are 1,720 bricks on this Island. Most of them are good…but when they're not, that's where I come in. The name's Nick. Nick Brick. I carry a badge."	Dragnet-cop show theme low
Nick in the field writing in his notebook while talking to an upset LEGO citizen	NICK "I love being a cop. Helping people… keeping order. Mostly I love the challenge; solving crimes, making LEGO Island safe."	same
Fade to coffee swirling in cream…pull back to reveal Nick stirring cup	NICK "The thing that impresses most people is my memory. I can remember anything. I'm remembering right now. I just said "the thing that impresses most people is my memory. Pretty good, huh?"	theme track slow-up
Cut to Nick in front of the jail	NICK "The Brickster? He's in jail now but if he ever escapes, I'll be on him like studs on a brick."	crescendo
Nick on his motorcycle- turns and rcaes away	NICK " 10:4 over and out"	Motorcycle-jazz up

PEPPER

Scene/See Storyboard PEPPER	Narration	SFX
Pepper rolling down the street on his skateboard, catches a ramp and does a 360, flips a pizza in the air and catches it	PEPPER (Laughs and woo-woos) "I'm the pizza delivery dude…the dude with the food"	Pepper's them up low
Pepper comes to an intersection and hits another ramp	PEPPER "Check it out! (as he approaches ramp) Perfect angle! 45 degrees	Theme up slightly
He flies over the intersection and over heads of passerbys in slow motion. The angle of the board changing in mid air…finally landing	PEPPER "90 degrees, 45 degrees…I've got more degrees than a thermometer..10 degrees…more degrees than a professor. I'm a mongo-footed Professor Gnar Gnar…5 degrees and touchdown!	theme track slow-up
Pepper spinning pizza and casually skates down the street effortlessly	PEPPER "..and under control."	crescendo
Skating away into the sunset	V.O. "Pepper-He's hot" PEPPER "That's me!"	LEGO theme tune up

PAPA BRICKOLINI

Scene/See Storyboard PAPA	Narration	SFX
Jumpy-hand held camera- Papa in pizzeria flipping dough	PAPA "What? I'm on? Put that away I made a pizza for you."	Papa Theme low-up
Papa starts dancing as he spins pizza	PAPA "Again with camera! If I show you something special will you go away?"	same
He flips it, twirls himself around and catches it with ease	PAPA: "If you think that's good- you should taste it."	Same-slowly up. Add a note at catching pizza
He tosses it way in the air	PAPA "Now watch this with your camera"	Same "twirl" to pizza lift-off
It sticks to the ceiling and drips on his head	PAPA (angry) "I told you to get out of here with that camera! I've got work to do."	Same with splat and drip SFX
He hands cover the lens and camera pulls back…Pepper appears at window	PAPA "Pepper! Get in here. We got work to do."	LEGO Theme up

LAURA BRICK

Scene/See Storyboard LAURA	Narration	SFX
TITLE like Charlie's Angels		Laura brick Theme song
Laura comes racing in on her motorcycle, smiling and waving to the towns people as she passes	LAURA "To me being a cop is all about respect."	Motorcycle SFX low with low cheers over theme
Standing next to a fender bender. The two townspeople shake hands while a smiling Laura looks on	LAURA "Oh, sure, we do have our problems; disputes do happen here on LEGO Island but most can be solved with a little understanding."	theme track slow-up
Laura chases a speeding car and hits a ramp and flies in front of the car bringing it to a screeching halt	LAURA "But don't get the wrong idea…I can be tough when I have to."	Car screech under theme
Laura stop traffic for an elderly LEGO citizen	LAURA " But I like to think that every citizen on LEGO Island has a friend in Laura brick. 10:4 over and out."	LEGO theme tune up

MAMA BRICKOLINI

Scene	Narration	SFX
Newsreel stock footage: 1930's BW ship arriving at harbor-super imposed Mama exiting	V.O. 'When mama Brickolini arrived on LEGO island she had only her clothes on her back."	1930's newsreel music: eastern European feel
A piano (LEGO) being unloaded from the ship with a	V.O.	Thud with a hint of a piano key sound
